## Senior Class History

In the fall of 1923 there was a commotion, the like of which had never been witnessed in C. G. H. S. For a flock of Freshmen had entered upon their high school career. We were regarded as mere caterpillars by the upper classmen and indeed we felt as such by the end of the first day. But we were able to get about and find our classrooms with remarkable ability and without being trodden upon by those conceited Sophomores, flighty Juniors and dignified Seniors. We had no social functions for we thought we had accomplished enough by choosing our class officers and colors.

The next year when we came back as Sophomores we were quite convinced that we "knew it all," though no one else seemed to be of the same opinion. That year we were given a quaker party by our sponsors. We took part in all school activities which included quizzes and six weeks exams, as well as athletics and music.

In our Junior year we planned a picnic, but it came to naught for the weather man proved to be on duty with one of his showers. We produced the play "Clarence" which went off with a bang. The following evening we gave the Seniors a real send off with the Junior-Senior banquet.

This year, as Seniors, we have reached the peak of our high school career and although our class only consists of about half of those who entered school as Freshmen on that glorious September morning four years ago, our number is still large enough to fill the two front rows of seats in chapel. We are looking forward to graduation as one of the big events in our lives, but nevertheless, we shall regret to bid our Alma Mater goodbye.

### JUNIOR CLASS HISTORY

During the early part of September, 1924, a class of seventy members gathered together from the neighboring rural schools and from the Council Grove ward schools, entered C. G. H. S. eager to start their scholastic career. That year the class chose Helen Johnson, President, and Clarence Simms, Vice President. The class Sponsors were Mr. Turnbull and Miss Stenger, under whose guidance the members took an active part in the social and athletic activities of the school.

The first year passed all too rapidly and the class approached its Sophomore year with much vim and enthusiasm and more versed in the daily routine of school duties. This year Robert Williams was elected President and Richard Cody was the choice for Vice President. The Sponsors this year were Miss Fredenburg and Mr. Axe. An active part was again taken in the various activities of high school and several parties and picnics were enjoyed.

First Row: Whitmarsh, Haney, Jones, Brown, Schoof, Perry, Huxell, Lowe.

Second Row: Smith, Lyttle, Holthouse, Corey, Kirkpatrick, McMichael, Wray, Christian.

Third Row: Pullins, Hutson, Cody, Cress, Coe, Curtis, Clary, Rhodes.

The third year this class was in high school its members felt themselves to be in the so-called group of, "Upper Classmen." They had chapel seats among the "Dignified Seniors." They met for election of officers and a count of ballots showed the following results: Emmerson Blim, President; Richard Cody, Vice President; Anne Louise Rhodes, Secretary; and Waneta Christian, Treasurer. Miss Ninceheler and Mr. Axe were appointed directors of the destinies of this class. In athletics the class was ably represented in football by Glen Snider, Paul Viar, John E. Haney, Emmerson Blim, Warren Lyttle, Arthur Berry, Glen Caywood, Ellis Keys, and Vinson Pullins, the last named has been elected Captain for next year. In basket ball these boys participated: John E. Haney, Alvin Lowe, Glen Caywood, Ellis Keyes and Paul Viar. The class was also well represented in both boys and girls glee clubs. All enjoyed a pleasant evening at the class party given at the home of Miss Josephine Kirkpatrick. We intend to put on the biggest social event of the season when we entertain the Seniors at the annual Junior-Senior Banquet.

### SOPHOMORE CLASS HISTORY

In the fall of 1925, there came to Council Grove High School a group of talented students who organized themselves into the present Sophomore class. They elected as their president, Ralph Van Camp, and chose for their motto, "Not to conquer, but to excel." They chose red and white for their class colors.

There were seventy-one green Freshmen who entered C. G. H. S. and although they made many mistakes and blunders they are proud of the time when they were Freshmen, for each knows that he or she could never have become Sophomores without first passing through the Freshman stage of his educational career. That year passed quickly and everyone was happy because ignorance is supposed to be bliss, and they soon became the (present) Sophomores.

During their second year there have been many important changes and happenings in their class. Wesley Tally was elected President of the class, and he had proven to be a good leader in their class affairs.

They have been well represented in athletics during the two years but mostly in their Sophomore year when there were four boys on the football team and three on the basket ball team.

The girls organized basket ball teams during both years and although they were not victorious in all their games they knew that they had tried their very best.

And now as the school year draws near the close, the Sophomores of C. G. H. S. are looking forward to their Junior year, when they will strive as before, to do their best for their class and school.

### CLASS MOTTO

*"We strive to reach the heights, Not by sudden flights, but by honest toil."*

In September nineteen twenty-six, seventy-nine bright and cheerful boys and girls entered the High School as Freshmen to share in the fun and activities we have been told about.

Our appearances in chapel have surprised our upper classmates and helped us to recover from our bashfulness.

We are positive the school would greatly miss us in football and Girl Reserve even if we didn't make our share of noise in the Glee Clubs. The Freshman Girls won their place in basket ball by winning the tournament but the Freshmen boys lost their game to the Sophomores after a hard-fought battle.

We are meekly taking our hard knocks this year and learning a few things from our teachers. What will we do next year? We'll never tell. Wait and see.

COACH E. R. SONNENBERG

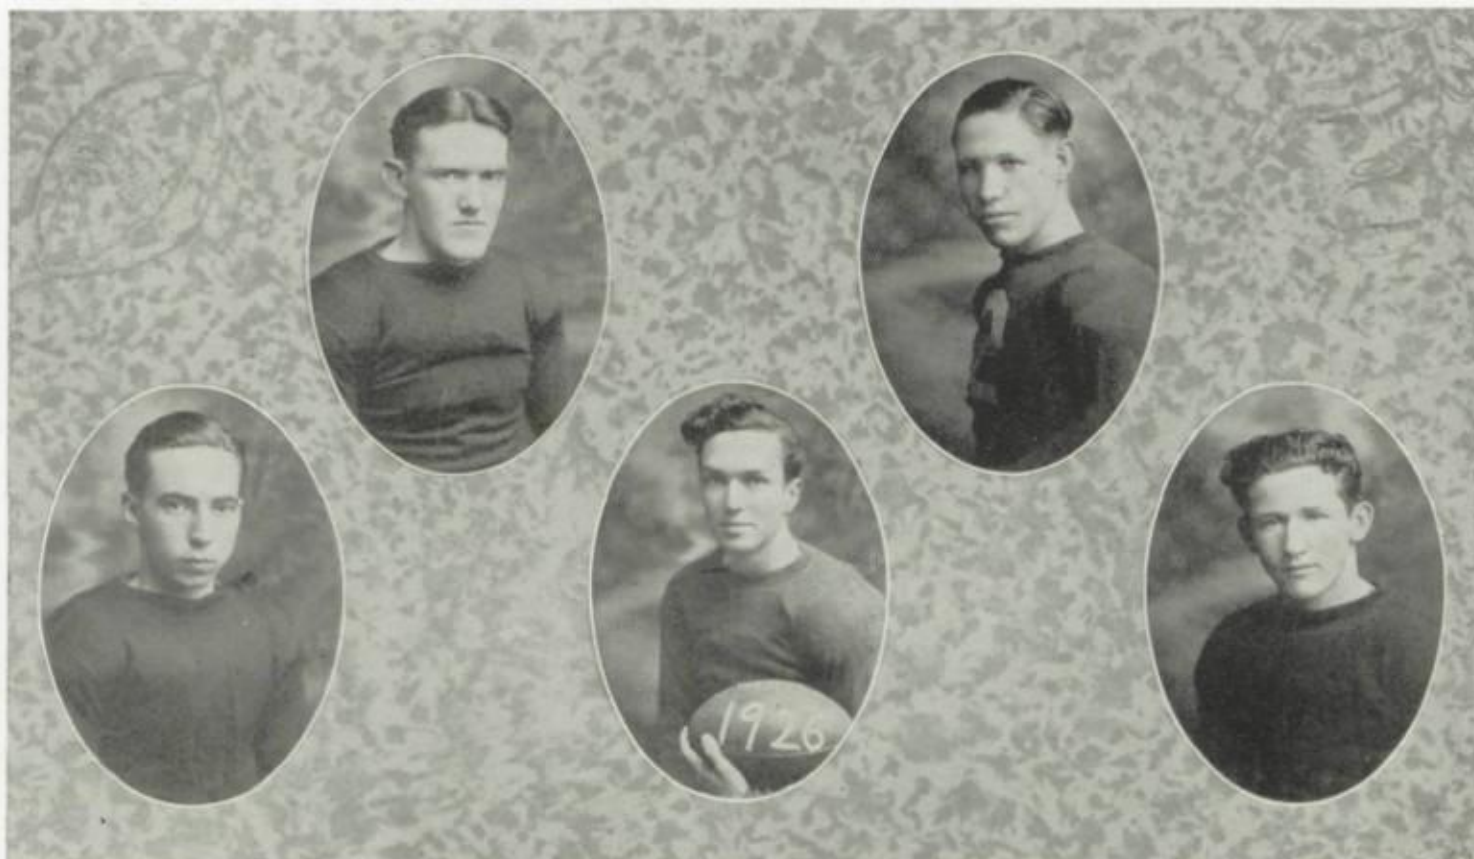

CAPT. KENNETH KINKEL

No school, however successful it may be in any branch of athletics, can expect to have ever victorious teams year after year. Such circumstance is rare indeed. There must come a building up time. The year 1926 found the coaches of Council Grove high school compelled to build almost an entirely new football team. Few letter men remained over from the 1925 season.

However, the hard work of Coach Sonnenberg and his assistant, Mr. Axe, brought about some semblance to the standard of past years. The season started fairly well but the local eleven found itself up against worthy opponents, all of whom had felt the sting of defeat at the hands of C. G. Said opponents most of whom, suffered less from graduation, took advantage of their opportunities, not, however, to the extent that they did not meet a stubborn resistance by C. G. H. S. Though a majority of our rivals defeated us, they did it through virtue of better teams and so in a measure the coaches were satisfied that the team did its best.

At the annual football banquet following the close of the season, Vinson Pullins was unanimously chosen to lead the team in its 1927 gridiron battles. With his leadership and with several veterans back the next season should find the Grove "up and at 'em" with the old time punch.

#### LESTER RUMSEY

Lester, a senior, has played two years at center. Much of C. G.'s success depended upon Red and his fight and grit pulled us out of many a hole.

#### ARTHUR BERRY

Berry played his first year of football for C. G. this year at the position of Tackle. He proved to be fast and furious in his charges.

#### KENNETH KINKLE, "Capt."

Kink is another senior. This is his third year at end. Kink's uncanny ability to follow the ball, his speed and sure tackling made him a menace to his opponents.

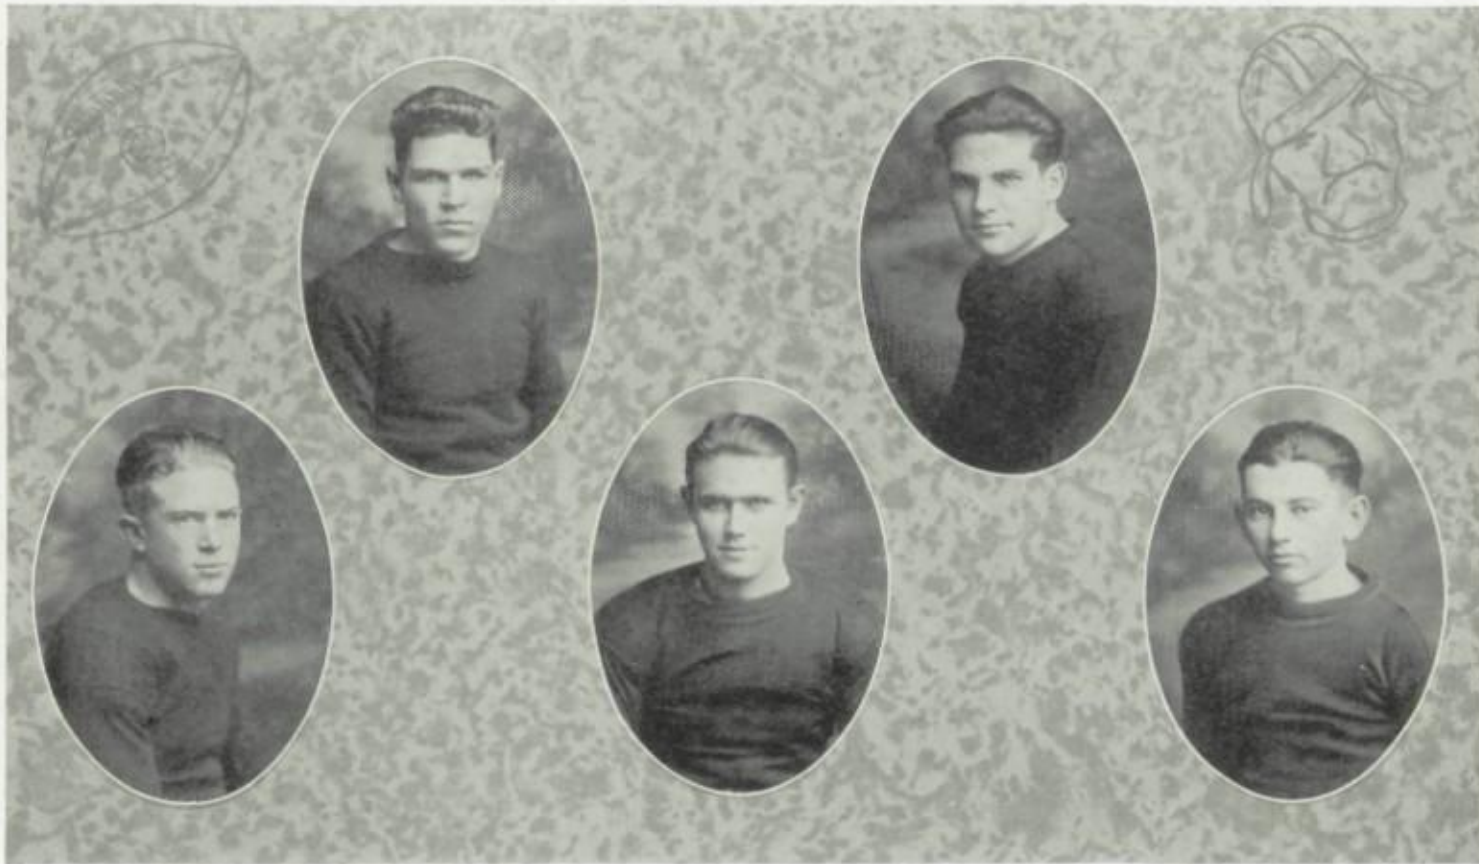

#### ROBERT RHODES

Bob has four years to his credit, playing in the position of both half and quarter. He is speedy, tackles hard and is a very good interference man.

#### GLEN CAYWOOD

This is Glen's first year. He showed fight, speed and headwork. He played end and half. A good ball lugger and a valuable player.

#### NORVAN KENDLE

Norv is a senior and has had three years of football; he played his last year at fullback. A good interference man, speedy and an accurate passer.

#### EVERETT EYTH

Everett is a senior, he played a guard position. This is his first year of football for C. G. but he proved to be an asset to the home team.

#### FLOYD SNODGRASS

Another senior. This is Floyd's third year at guard and tackle. He was a hard tackler and a steady player, being quiet and conscientious in his training.

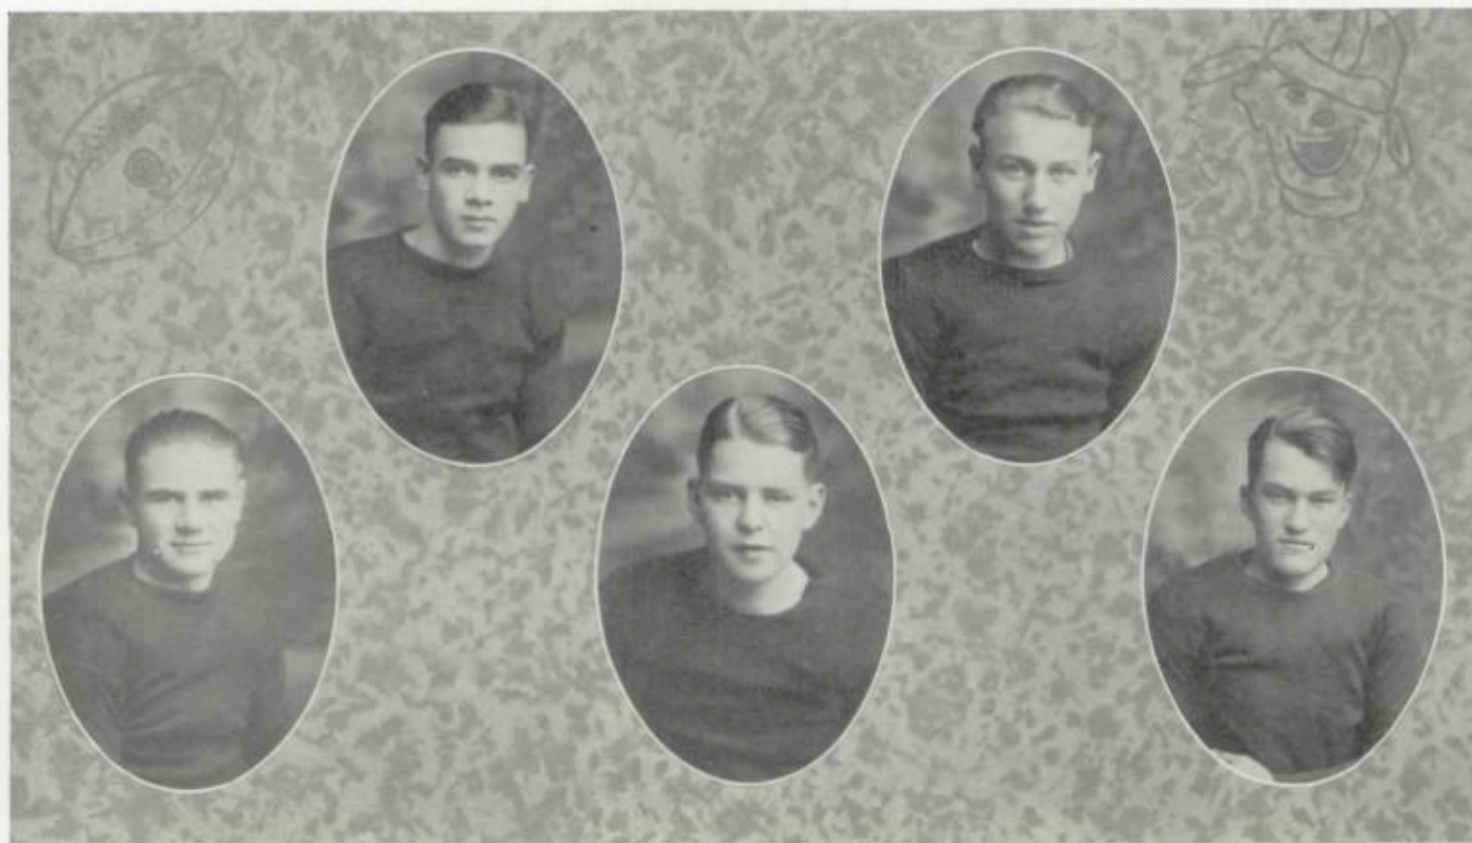

#### GLEN SNIDER

This is Glen's first year. He played tackle and none better could be found. Our opponents never gained through Glen. He always got his man, a hard hitter and has everything a football player needs.

#### HORACE SLY

Horace, a senior, won his first letter at end. This is his second year of football. He was a consistent player although injuries kept him out of most of the games.

#### HAROLD KNEELAND

Spivis is another one of our three year men. He was perhaps one of the fastest, most shifty and aggressive players on the team. Spic makes up for his lack of weight with head and foot work.

#### PAUL VIAR

Paul played his first year at the position of half. Although not holding a permanent place on the team, Paul was able to effectively substitute in any position. Look out for Paul next year.

#### MAX ELLIOTT

Max, likewise a senior, has played two years of football. He played both half and quarter and at running interference there was none better. His ability to catch passes was unique.

#### VINSON PULLINS

Captain-elect for 1927. "Vinc" won his election by his hard, consistent playing on the gridiron last fall. A gentleman and sportsman. Plays center and guard and does a good job of it. Strong on both defense and offense.

#### DALE SUPPLEE

Tackle and guard and a good one. Few gains opponents made through his position. "Tony" feared none of them. The harder they hit the farther they bounced off.

First Row: McGinity, Keyes, Ellis, Pullins, Wyatt, Prather, Coach Sonnenberg, Haney.  
 Second Row: Gillaspie, Caywood, Kinkle (Acting Captain), Bratton, Rhodes, Viar.

## Boys' Basket Ball

About the same situation came up in basket ball as was the condition in football, namely, new material to work with. Coach Sonnenberg spent the major part of his time teaching his squad the fundamentals of basket ball. The response was good. Six letter men remain around which next year's team can be built. There are also good prospects among the next year's group of Freshman boys.

New opponents, Junction City, Florence and Marion, all of whom defeated us, were taken on for games this year. No regular election of a Captain for the team was held. The coach appointed Kenneth Kinkle, the only letter man on the squad, to act in that capacity during the first game of the season. The following boys were granted letters in basket ball. Seniors: Cle Bratton, Kenneth Kinkle and Robert Rhodes. Juniors: Ellis Keyes, Paul Viar, Glen Caywood, John Edward Haney and Vinson Pullins.

Among the Sophomores the following boys showed up well: Alvertis McGinity, Ralph Prather, Walter Gillaspie and Gene Ellis.

# Track

## STATE ELIMINATION TRACK AND FIELD MEET, 1926

Fourteen teams in this part of the state were entered in the track and field meet held in Council Grove on the first Saturday in May. This annual event is sponsored by the local Chamber of Commerce, and attracts some of the best talent in this section. Some fine records were made last May, which will stand for some time.

Lower Row: Sherman, Rhodes, Miss Piatt, Titus, White, Corey, De Hoff.

## Boys' Glee Club

The Boys' Glee Club, composed of members chosen from the various classes in school, takes an active part in the extra-Curricular activities of C. G. H. S. They appear in Chapel Programs, Civic Meetings, and other social gatherings. A quartette is usually chosen from among the group. This year, Kenneth Kinkle, Arthur Berry, Harold Kneeland, and Robert Rhodes were picked for the place. They have made several public appearances. Robert Rhodes and Harold Kneeland will represent our school in the Music Contest at Emporia in April. They will enter the Bass and Baritone solo events.

Top Row: Hadley, Anderson, Rotchford, Hutson, Vinsant, McMichael, M. Munsell, Hutson, Blankley, Whitmarsh, G. Taylor, Burnett, Titus E. Heigele, Axe, Stevenson, Blim, B. Walker, Hebrank.  
 Middle Row: Viar, Hart, Eyth, A. Taylor, Karns, M. Heigele, Osborne, Johnson, Lowe, Curtis, Pulliam, Tobyne, Roberts, Richter, Stallings.  
 Lower Row: M. Blankley, B. Munsell, Rose, Hermstein, Brokate, Snider, Miss Piatt, Rees, Kirkpatrick, Prather, Morton, Colyer, M. Walker, Hills.

## Girls' Glee Club

The Girls' Glee Club was so great in numbers that it was impossible to have a studio picture taken of the entire group. This organization is also made up from members of all four high school classes; its forty-eight members are about equally divided among them. Girls' Glee Club is called upon to appear in Chapel, before the City Clubs, at graduation time, and for other special occasions. The girls took an active part in the presentation of this year's operetta.

Top Row: Heigele, Perry, Thomas, Prather, Houck, Gurtler, Van Camp, Holzhey.  
 Middle Row: Evans, Heigele, Miss Piatt, Jones, Rotchford, Prather.  
 Lower Row: Sherman, White, Corey, Fearson.

## Orchestra

No high school is complete without an orchestra. Miss Piatt gathered together a goodly number of musicians and has weilded them into quite a creditable bunch of performers. They aid in keeping things lively between acts and before the curtain, when the Junior and Senior Plays are being presented. Various combinations, duos, trios, etc., are gotten together from time to time from this group, in order that variety may be added to our Monday and Friday assemblies. One or two members of the orchestra may represent us in instrumental solo numbers at the May music festival at Emporia. A school band is also included in the personnel. This band functions as a pep producer at the football games and during high school pep meetings.

Perunah, The Shah.....	Robert Rhodes
Comecraba, The Sheik.....	Arthur Berry

The three acts of the opera are supposed to take place in Persio, in the garden of Perunah, the Shah. Ted Harding and Billy Cummings, American mining engineers, accompanied by their colored servant, Sam, come to Persia to work the Shah's gold mine.

Ted falls in love with Zohdah, and Billy with Lohlah, Zohdah's old nurse, pursues Sam, much to his discomfiture, thinking him her affinity in some other incarnation.

The Shah has other plans for Zohdah's future and returns with Comecraba, an Arab Sheik, whom he wishes Zohdah to marry.

The Sheik turns out to be flying under false colors, having been compelled to abdicate his throne. The Shah finds this out in time and orders the Sheik away, at the same time throwing Ted, Billy and Sam in prison because of their continued attentions to Zohdah, Lohlah and Nowobeh.

Nowobeh makes the Shah see that by keeping the Americans in prison he is defeating his own plans in operating his rich gold mine, and so he is persuaded to give his consent to the weddings.

As Ted says, "All's well that end well and you may soon expect invitations to a triple wedding in the Garden of the Shah."

## JUNIOR CLASS PLAY 1926

### "Clarence"

"Clarence," as presented by the Junior Class, was one of the best and most successful plays ever given by any class in the Council Grove High School. Under the capable direction of Mrs. J. J. Haney, the well chosen cast impersonated the characters of the play to a wonderful degree of perfection. The audience was pleased as was evident from continuous rounds of applause.

## SENIOR PLAY 1927

### "Adam and Eva"

The Senior play for this year was put on under the direction of Lavelle F. Hicks, professional coach from Salina, Kansas. It was up to his usual standard of excellence. Considering the short time put into its preparation, the play was very good. The cast played their parts in a very lifelike manner.
